

# Uniform Requirements 2019-2020

As part of maintaining the GCA community, all GCA students are required to wear uniforms which are comfortable, versatile and facilitate a successful learning environment.

Students are required to wear the official GCA uniforms with pride and therefore, uniforms should always be neat and tidy. Uniforms must not be altered to tailor preferred styles, especially in a manner that is inappropriate.

**Socks:** In accordance with government regulations, all students' socks must be *solid white or solid black*.

**Shoes:** Closed toe shoes must be worn at all times. Shoes with laces must be tied. Flip flops, slides, crocs or sandals may NOT be worn at any time.

**Sweaters & Sweatshirts:** Students are permitted to wear a solid color sweater or sweatshirt with a zipper or buttons. Pullover sweatshirts are NOT permitted.

**PE Uniforms & Swim Days:** Students in Pre-K-Grade 6 can wear their PE uniform and sneakers on the days that they have PE. Grades 7-12 students are required to change into their PE uniforms prior to class. Pre-K and kindergarten students can wear their swimsuits underneath their PE uniforms. Grades 1-6 students will change into their swimsuits on swim instruction days. Students will change back into their uniforms after their swim lessons and should have a plastic bag in their backpacks to place the wet swimsuit.

**Accessories:** Jewelry must be safely worn and never disrupt the instructional process. Female students are permitted to wear a single stud earring in each ear. Necklaces must be worn inside of school shirts. Body piercings are not permitted.
